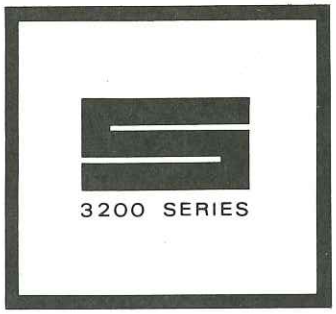
C-20

3200 SERIES DESKS BY STEELCASE



On the cover: Executive office features a single pedestal desk with a generous 70″ x 36″ Oxford Grey top. Attached 62″ long Convertible combination provides ample storage space.

Left: Clerical area utilizes roomy 3200 Series 60″ x 30″ single pedestal desks with 32345-TUL typewriter units. Filing is close at hand in Broadside lateral files.

■ The 3200 Series offers a complete selection of moderately-priced contemporary desks, convertibles, credenzas, and tables. They have a flush silhouette; mitered drawer fronts; slim, trim hardware; square leveling glides; and one-piece back panel.

DESKS

The 3200 Desks offer completely rectilinear styling. Side and back panels are flush with the legs, and drawer fronts are mitered for fineline fit. The desk drawers have strong double wall construction and are equipped with nylon rollers for smooth and quiet operation. Desks are available with 1) one-piece tops which have self-edging or stainless steel binding, and 2) polished or brushed chrome hardware and trim. The desks are 29⅜″ high.

Standard pedestal arrangements are illustrated. These positions can be reversed or or the following optional pedestals can be substituted: two personal height drawers above, one file drawer below; two personal height drawers above, two box drawers below; one file drawer above, one box drawer below.

The 3200 Series desks are available in two ways... as Fully Equipped models and as Basic Desks with some major accessories omitted. For identification purposes, the last digit of the style numbers of the Fully Equipped models is a ''1''. The last digit of the Basic Desk model number is a ''3''. For instance, a 55 x 30″ Fully Equipped desk with center drawer would be style number 32031; the budget priced Basic Desk would be 32033. The budget priced desks are so structured to permit the addition of desired accessories.

DESKS — Standard Features on Fully Equipped Models. Fully Equipped models include these features: one movable partition in each box drawer; purse or briefcase hook in kneespace; adjustable glides with rubber feet; convenience tray; progressive suspension file drawer with compressor; half-depth sliding reference shelf with hinged Plexiglas cover; flush end panels, telephone mounting bracket in the left end panel; and central lock mechanism.

DESKS — Optional Accessories for Fully Equipped Models. Optional desk accessories include: additional half-depth sliding reference shelf with hinged Plexiglas cover; full-depth sliding reference shelf with hinged Plexiglas cover; additional pencil trays; polished chrome hardware; vertical file drawer with cross compartments for side-to-side hanging folders filing; desk drawer card trays for 3″ x 5″, 4″ x 6″, 5″ x 3″, and tab cards; and a five-pocket stationery tray.

DESKS — Standard Features on Basic Models. The Basic Desk includes these standard features: one movable partition in each box drawer; purse or briefcase hook in kneespace; adjustable rubber-foot glides; convenience tray; and non-suspension file drawer with compressor.

DESKS — Optional Accessories for Basic Models. Progressive suspension file drawer with compressor, one sliding reference shelf with hinged Plexiglas cover; flush end panels; telephone mounting bracket in left end panel; convenience tray; central lock mechanism; additional half-depth sliding reference shelf with hinged Plexiglas cover; full-depth sliding reference shelf with hinged Plexiglas cover; additional pencil trays; polished chrome hardware; vertical file drawer with cross compartments for side-to-side hanging folders; desk drawer card trays for 3″ x 5″, 4″ x 6″, 5″ x 8″, 5″ x 3″, and tab cards; and a five-pocket stationery tray.

MACHINE & TYPEWRITER ATTACHMENTS
There are numerous typewriter attachments to create necessary secretarial arrangements. They range from simple shelves to extension units with cabinets. Most units attach to single pedestal desks. Some however, attach to double pedestal desks. All are standard at the user's left unless otherwise specified (right). Cabinet locks are optional. All arrangements provide the same contemporary styling found in 3200 Series.

CONVERTIBLES, CREDENZAS
The 3200 Series Convertibles and Credenzas complete your work stations and facilitate efficient arrangements for all levels of management. The convertible arrangements provide the highly functional "L" units. The units attach to 60″ x 30″ or larger single pedestal desks . . . standard at the user's left, optional at right. Credenzas offer different cabinet arrangements and vary in length. They are offered with under-cabinet bases.

Many cabinet arrangements are possible. Arrangements illustrated are standard. Accessories normally include two sway blocks in the file drawers . . . one movable partition in the box drawer. Locks, card trays, a four-pocket stationery tray, and a variety of cross-filing systems are optional.

TABLES
The 3200 Series has multi-purpose and conference room tables in its table grouping. The tables have the same type of tops used on desks, and all center drawers are furnished without locks. The tables are available with stainless steel binding or self-edging. Leg uprights may be furnished in any Steelcase acrylic color as well as in polished or brushed chrome.
